HOW TO USE THE ACCESSORIES CATALOG

Mack Trucks, Inc. is pleased to bring you this edition of the Mack Accessories Catalog. Whether your Mack truck is a new Granite or an R model that you would like to spruce up, you will find the latest accessories in this catalog to fit your needs. Even if your truck is not a Mack at all, these accessories will make your truck shine and stand out from the crowd.

This catalog is divided into ten sections to make it easy to find the exact item you are looking for. Sections are color-coded for easy reference.

Section	Color	Pages
Inside the Cab	Medium Green	1-6
Stainless Steel and Chrome	Dark Green	7-14
Winterfronts and Bugscreens	Burgundy	15-18
Vocational and Towing	Brown	19-25
Electronics	Red	26-28
Lighting and Safety	Gray	29-34
Fenders	Purple	35-38
Wheels	Dark Blue	39-45
Mudflaps and Accessories	Rust	46-52
Chemicals	Light Blue	53-57

If you are looking for a particular part, there is a handy index in the back of the catalog. We have included photography throughout the catalog for your convenience, which should be used as examples only. The actual appearance of the part(s) may vary.

Please visit a Mack Dealership to purchase any of the accessories found in this catalog. For the location of the Dealer nearest you, please visit us on the Web at www.macktrucks.com.

We welcome your comments and suggestions to enable us to enhance the next edition of this catalog. Please fax the comment card to 336-393-2084 or click on "Contact Us" at www.macktrucks.com, subject line "Accessories Catalog".
